The printed representation of the sample colour on this brochure is only indicative of the finished product.

Smaller urban WATERPOINT ULTRASLIM®, WATERPOINT SLIMLINE® and WATERPOINT CLASSIC® rainwater tanks made from AQUAPLATE® steel are post painted to be representative of the standard range of COLORBOND® steel colours. Larger WATERPOINT CLASSIC® tanks made from AQUAPLATE® steel are available in a limited range of pre-painted colours. Please check with your BlueScope Water Sales Office for the local availability of the colours in various tank sizes.
