

Leafbusters 2G UltraTechMesh™ Specification

Unique feature NO: 1

Smooth face—allows debris to slide off 70% faster than diamond meshes.

* Patent Pending

Unique feature NO: 3

Carbon Black under strands for extra strength and durability with colour top.

Unique feature NO: 2

Selvage—thickened edge for more secure fixing to gutter edge.

Leafbusters 2G Mesh Specification

High Grade—Virgin Materials. High Density Polyethylene (HDPE)
 Longitudinal strand: HDPE/LDPE mix co-polymer with Carbon Black
 Transverse strand: HDPE
 Tensile Strength—testing with Instron—ave: 241N
 Guarantee: 20 year manufacturer's guarantee against UV breakdown and tearing.

<u>Longitudinal Aperture</u>		<u>Transverse Aperture</u>	
2.7mm		4.7mm	
<u>Longitudinal Strand Thickness</u>	<u>Longitudinal Strand Width</u>	<u>Transverse Strand Thickness</u>	<u>Transverse Strand Width</u>
2.0mm	2.7mm	1.5mm	1.7mm

Colour Range

- * Black
- * TerraCotta
- * Pale TerraCotta
- * Slate Grey
- * SEFR (Fire Rating 2 AS 3959)
- * Caulfield Green
- * Ironbark
- * Gull Grey
- * Rivergum
- * Karaka Green
- * Heritage Red
- * Beige
- * Mountain Blue
