### Water Rating (WELS)

★★★★☆

### Water Consumption

12.3 L/wash

### Energy Rating

★★★☆☆

### Energy Consumption

260 kWh/365 uses

### Plumber to install

Yes

### Suitable for renters

Not specified

### **Safety**

– AquaStopPlus anti-flood protection

### **Power rating**

– 2400W  
– 10 amp

### **Appliance dimensions (HxWxD)**

– 815\*-845 x 600 x 600mm

\* Height when worktop removed: 815mm

– Maximum height with adjustable legs at full extension: 865mm

### **Areas available**

---

- Australia wide

### **Available from**

---

- Major Retail Outlets

### **About Bosch**

---

Bosch supports the use of green technology and the efficient use of resources. This guiding principle underpins all our work in all sectors, from environment-sensitive production methods to researching new, energy-efficient technologies.

Did you know Bosch was amongst the first manufacturers to register a dishwasher to meet the new WELS scheme? Choosing water and energy efficient appliances not only saves money, it helps you contribute to the conservation of environmental resources.

Intelligently designed for both you and the planet, the new range of washing machines and dishwashers combine cutting-edge technology with up to 4-Star Energy and 4.5-Star Water efficiency rating for maximum performance.

All content supplied is written by the listing company independent of savewater!®. Whilst savewater!® has attempted to ensure that all the above information is accurate, it cannot accept responsibility for any loss you may suffer by relying on it.

With a range of smart water and energy saving features, the improved performance means saving without the sacrifice.
