About Brewers

"Brewer" branded products are sold by most bathroom retailers throughout Australia. Brewer products can be found in the domestic market, larger developments and commercial structures. The success of Brewers comes from hard working in-house design, manufacturing, selling and distribution teams who operate with a minimum of fuss. The emphasis is manufacturing to Australian standards to "Watermark" or "Type Test" and WELS which has ensured the highest quality in all product ranges. Constant nurturing and design implementation thru their Australian merchandise team will keep the style of Brewer branded products at the leading edge.
